# AMAZIN' METS FOUNDATION

The Amazon' Mets Foundation has funded over \$10 million in direct programming and grants to over 160 charitable organizations to further its mission to provide needed services and opportunities to children, families, and underserved groups in the neighborhoods and communities near Citi Field and its affiliates.

The Foundation's priorities are to fund organizations operating in the following areas:

## COMMUNITY & NEIGHBORS

Supporting New Yorkers in need by funding organizations who provide crucial services in a wide variety of ways and who support underserved populations.

## HEALTH & WELLNESS

From healthy eating to exercise and mental health, the programs the Foundation supports enable New Yorkers to prioritize a healthy lifestyle.

## BASEBALL & ATHLETICS

Investing in local, underserved communities to introduce, provide access and further skills & development in youth baseball and softball and further support other athletic programs.

## YOUTH & EDUCATION

Creating opportunities for a lasting impact on the educational trajectory of New Yorkers

# METSGIVING

MetsGiving is a series of programs in November and December that focus on supporting our community during the holiday season. New York Mets Front Office staff, players, coaches corporate partners and fans all work together to give back and help those underserved in the community.

## FOOD DRIVE

In November of 2023, the Mets hosted their 17th annual MetsGiving Food Drive, presented by Affinity by Molina Healthcare, benefiting New York Common Pantry, one of the largest community-based food pantries that focuses on underserved communities throughout New York City. Fans who donated at least 10 non-perishable items received one voucher redeemable for two tickets to a Mets home game in 2024. Mets Manager Carlos Mendoza and Mr. & Mrs. Met stopped by to help collect more than 7,000 pounds of food, which New York Common Pantry distributed throughout the holiday season.

New York Common Pantry is also the recipient of a grant from the Amazin' Mets Foundation for their Food Choice Program.

## ANNUAL TURKEY GIVEAWAY

The Amazin' Mets Foundation distributed over 7,500 turkeys ahead of Thanksgiving as part of their ninth annual MetsGiving Turkey Giveaway. Mets Catcher Francisco Alvarez joined Mr. & Mrs. Met to help distribute the turkeys at the various community partner locations. Individuals receiving the turkeys were also given a voucher for tickets to a Mets home game in 2024 and a MetsGiving tote bag.

The Foundation funded an \$180,000 grant to support this initiative and worked with a total of 15 community partners throughout New York City, including in person distributions at New York Foundling in Staten Island, New York Common Pantry in Manhattan, Part of the Solution in the Bronx, Queens Community Justice Center, and the Alliance for Coney Island in Brooklyn to feed over 61,000 underserved individuals across all five boroughs.

## KIDS HOLIDAY PARTY

The Mets hosted their annual Kids Holiday Party at Citi Field with over 125 students from five local Title 1 schools in Queens to celebrate the holiday season. Mets Starting Pitcher Jose Quintana donned the red suit to play Santa Claus and was joined by Mets Manager Carlos Mendoza and Infielder Mark Vientos, who helped hand out presents to each child.

All students enjoyed a holiday lunch, played games with Mr. & Mrs. Met, and performed holiday songs on stage. Students also received art supplies from KINGART and Nike gift cards in addition to their gifts.

## AMAZIN' METS FOUNDATION HOLIDAY DINNER

The Amazin' Mets Foundation and volunteers from the Mets Front Office visited Sunnyside Community Services in Queens to host their first Amazin' Mets Foundation Holiday Dinner, presented by Delta Air Lines. The event was created to ensure all families have a joyous holiday season.

Mets Infielder Mark Vientos joined Mr. & Mrs. Met and Mets volunteers to serve meals to over 300 individuals alongside the Neighborhood Association for Inter-Cultural Affairs, Inc. All children received special gifts from Santa and art supplies from KINGART.

Sunnyside Community Services is a community-based nonprofit centered on the belief that every person deserves meaningful support to achieve their aspirations – especially struggling families and individuals.

## COAT DRIVE

In December of 2023, the Mets partnered with New York Cares for the 17th Annual Winter Coat Drive, presented by 1PointFive, at the K Korner at Citi Field. Mets Owner and President of the Amazin' Mets Foundation Alex Cohen joined Mets Front Office staff and volunteers to collect more than 1,660 new or gently used coats from fans to help New Yorkers in need.

All donors received a voucher for two tickets to a future Mets home game, a discount to the Mets Team Store, and the opportunity to take photos with Santa Claus and the Coca-Cola Holiday Caravan.

## BLOOD DRIVE

More than 500 fans donated blood at the Annual Winter Blood Drive held in the Piazza Club at Citi Field with New York Blood Center. The drive collected 685 pints of blood, which will save over 2,000 lives. Fans that donated received a voucher good for two tickets to select home games in 2024.

The Amazin' Mets Foundation has further supported New York Blood Center's mission with an \$80,000 grant to purchase a new sprinter van. The van will be used for their mobile blood drives and was unveiled at the Annual Winter Blood Drive.

# YA GOTTA READ!

Ya Gotta Read!, presented by Delta Air Lines, is an educational program designed to foster a love of reading in students. During the program, the participating students are challenged to read for 20 minutes every school night for six weeks, coinciding with the start and finish of Mets Spring Training. The Mets partnered with 31 local elementary schools and a total of 20,000 students in 2023.

# YOUTH BASEBALL & ATHLETICS

The Mets are committed to supporting the development of youth baseball and softball in their local, underserved communities. Through a variety of programs, the Mets Junior Mets initiative helps introduce the game of baseball and softball to youth, provide access to equipment and fields, and offer clinics and camps to help with skills and development.

Since 2021, the Amazin' Mets Foundation's Sandlot Stars/Futuras Estrellas program, in partnership with Pitch In For Baseball, has supplied brand new equipment to over 7,500 little leaguers in New York City, New Jersey, Long Island, Syracuse, Port St. Lucie, Dominican Republic, and now in Puerto Rico.

In December 2023, the Foundation traveled to three cities in Puerto Rico for the first time, spanning over 250 miles and impacting nearly 800 children, to donate brand new equipment to 50 baseball and softball teams.

The day began in Guanica, a city that recently endured the challenges of multiple natural disasters. Next, the Foundation team members traveled to Naguabo, the hometown of Mets closer Edwin Díaz where the distribution occurred on the very field Díaz played on as a child.

The final destination was Caguas, the home of Mets' Owner and President of the Amazin' Mets Foundation, Alex Cohen's parents, and Shortstop Francisco Lindor. The Futuras Estrellas program strives to break down access barriers and increase opportunities for young boys and girls to become future ballplayers.

## MEET THE METS

### BY RUTH ROBERTS & BILL KATZ

The unofficial theme song of the Mets, this tune was created in 1962

Meet the Mets, meet the Mets,  
 Step right up and greet the Mets.  
 Bring your kiddies, bring your wife,  
 Guaranteed to have the time of your life.  
 Because the Mets are really sockin' the ball,  
 Knockin' those home runs over the wall.  
 East side, West side, everybody's coming  
 down,  
 To meet the M-E-T-S Mets, of New York town.

Oh, the butcher and the baker and the  
 people on the streets,  
 Where did they go? To MEET THE METS!

Oh, they're hollerin' and cheerin' and  
 they're jumpin' in their seats,  
 Where did they go? To MEET THE METS!

All the fans are true to the orange and blue,  
 So hurry up and come on down -  
 'cause we've got ourselves a ball club,  
 The Mets of New York town!

Give 'em a yell! Give 'em a hand!  
 And let 'em know you're rootin' in the stands!  
 Come on and Meet the Mets, meet the Mets,  
 Step right up and greet the Mets.  
 Bring your kiddies, bring your wife,  
 Guaranteed to have the time of your life.  
 Because the Mets are really sockin' the ball,  
 Knockin' those home runs over the wall.  
 East side, West side, everybody's coming  
 down,  
 To meet the M-E-T-S Mets,  
 Of New York town,  
 Of New York town!!!!

**THE METS LOGO**

The circular Mets logo was unveiled on November 16, 1961 and has gone virtually unchanged throughout the history of the club. The shape of the insignia, with its orange stitching, represents a baseball, and the bridge in the foreground symbolizes that the Mets, in bringing back National League baseball to New York, represent all five boroughs. It's not just a skyline in the background, it has special meaning. At the left is a church spire, symbolic of Brooklyn, the borough of churches. The second building from the left is the Williamsburg Savings Bank, the tallest building in Brooklyn. Next is the Woolworth Building. After a general skyline view of midtown comes the Empire State Building. At the far right is the United Nations Building.

CONTRACT STATUS: FREE AGENT AFTER 2025

## MEET THE MET

- Pronounces his last name loo-KAY-see.
- Underwent Tommy John surgery in June 2021...After nearly two years, returned to the majors in April 2023 and dealt 7.0 shutout innings at San Francisco, near his hometown of Newark, California, in his first start in 672 days.
- Gained fame for a pitch he calls a "churve"...He holds it deep in his palm like a classic circle changeup, and for most of his college career, that's all it was - a basic changeup...Early in his pro career, he began tinkering with his wrist action as he threw it, snapping off the pitch like a breaking ball...It soon became his go-to putaway weapon...Per Statcast, his curve had an average 8.9 inch vertical drop in 2019, which was the most movement of any pitcher's changeup by more than a full inch.
- In 2021, the Mets celebrated reaching base by holding up the grip for the curve.
- Trying to scheme up a creative Twitter handle while at Southeast Missouri State, asked his college teammates for a nickname...One of them suggested "Fuego," and years later, he still goes by the pseudonym.
- Gets a haircut the day before every start...When he arrives at a new mound, he prefers to spend time on the bump and visualize the start...He did it in college before every Friday night start... Also calls his father, Kenneth, before each start and the two talk through the next start...Would have wanted to work with his father, an engineer, if he did not play pro ball.
- His favorite player was Barry Zito growing up because of his 12-6 curveball.
- Is a big Golden State Warriors fan...Grew up playing basketball and loves the sport...His favorite players were Baron Davis and Monta Ellis.
- Enjoys playing video games and watching movies...His favorite movie is "Step Brothers."
- His favorite snack is pistachio nuts.

## 2023 SEASON

- Was a perfect 4-0 in nine starts in his first major league action since 2021...His four-game winning streak was the longest of his career.
- Made four starts in August and September for the Mets, going 3-0 with a 1.48 ERA (4 ER/24.1 IP)...Did not allow a home run those four outings.
- Ran his career-best scoreless streak, which began in 2021, to 18.1 innings before yielding his first run of the season on April 27.

## 2022 SEASON

- Pitched for the first time since undergoing "Tommy John" surgery in June 2021...Made eight rehab appearances across three minor league affiliates, posting a 2.13 ERA (three earned runs/12.2 innings)... Struck out 12 batters and walked three.

- Among all MLB pitchers to toss at least 70.0 innings both at home and on the road, Lucchesi's -3.66 ERA differential from road (6.22) to home (2.56) was tied for the second-largest with Adam Wainwright, trailing only Steven Matz (-4.31).

NINE FOR NINE

The Mets' club record for the most hits in consecutive official at-bats is nine, first set by José Vizcaino in 1996 and then tied by John Olerud in 1998. Vizcaino's streak began on April 23 with a double against the Reds at Shea. In José's next plate appearance, he sacrificed. After that, he hit two singles, a double, two more singles, another double, a single, a triple and then struck out in the ninth inning against Jeff Parrett to end the streak on April 25 at St. Louis.

In 1999, Olerud tied the club record with nine consecutive hits, from his final at-bat on September 16 at Houston to September 20 vs. Florida. The streak came to an end when he grounded to second in the third inning of the Mets' September 22 contest vs. Montreal.

Olerud tied a National League record with his first-inning walk on September 22 vs. Montreal, reaching base 15 straight times dating back to a single in his final at-bat on September 16th at Houston. Barry Bonds reached base 15 straight times from August 31-September 4, 2004 (9-9 with six walks).

## MEET THE MET

- Was promised a car, a 2010 Nissan Altima, for accepting a scholarship to the University of Arkansas...Still has that car today...After re-signing with the Mets on an eight-year contract in 2022, said he "splurged" on an Audi RSQ8, but plans to keep the Altima, saying "I don't think I can get rid of her. I purely think it's sentimental at this point...But the Golden Goddess, she'll always be around."...Said he may drive the Altima to the first day of the season each year to remember where he came from and stay humble.
- Has spent his entire career with the Mets since being selected 13th overall by New York in 2011...Signed an eight-year contract as a free agent during the 2022-23 offseason to remain with the club...Said at the press conference announcing his new deal: "Feels good to put this jersey back on and know it's not coming off."
- Is consistently among the league leaders in walk rate and sprints to first base after drawing a base on balls...Doesn't remember when he started that habit, but traces it back to his dad telling him to hustle down the line so he would be able to take second base in case the catcher did not catch ball four.
- His wife, Chelsea, has worked as an ER Nurse in Elmhurst, Queens.
- Is an avid fisherman - especially shark fishing.
- Took batting practice from assistant minor league clubhouse manager and left-handed thrower Drew Dunton during the 2020-2021 offseason to improve his approach against southpaws... Nimmo has batted .278 (83-299) with a .382 OBP against LHP in 2021 after hitting .243 with a .358 OBP against lefties from 2016-2020.
- His dad encouraged him to swing left-handed...Was a switch-hitter until he was about 10 years old...Does most things right-handed, including golf...His dad did not want him to mess up his swing and it was much harder to find spare lefty clubs.
- His favorite player growing up was Todd Helton...Nimmo and his father worked on emulating Helton's swing when Nimmo was a kid...Nimmo and Helton spoke for the first time during spring training in 2021.
- Was the first-ever first-round pick and 16th major league player from Wyoming.

## CAREER HIGHLIGHTS

- Owns the second-highest OBP (min. 3,000 PA) in Mets history (.380) behind Keith Hernandez (.387)...Ranks fifth in OPS in Mets history with a .828 mark.
- Ranks 10th in the majors with a .382 OBP since the start of 2018 (min. 2,000 PA).

Anderson did it on May 12, 1962, beating the Braves at the Polo Grounds, 3-2 and 8-7, with a combined three innings of shutout relief. Hunter accomplished the feat on August 23, 1964 at Shea when 1.2 innings of hitless relief earned him 2-1 and 5-4 wins over Chicago-NL. Orosco joined the group on July 31, 1983 at Shea when he held the Pirates scoreless over a total of five relief innings en route to a pair of 12-inning wins, 7-6 and 1-0. John Franco earned a save and a win (respectively) in a July 30, 1996 doubleheader vs. the Pirates at Shea.

On April 15, 1997 in a historic ceremony at Shea Stadium, acting commissioner Bud Selig announced the retirement of Jackie Robinson's #42 throughout Major League Baseball. "The day Jackie Robinson stepped on a major league field will forever be remembered as baseball's proudest moment," said Selig during the ceremony as he stood side-by-side with Jackie's widow Rachel and President Bill Clinton. "Major League Baseball is retiring #42 in tribute to his great achievements and for the significant contributions he made to society. Number 42 belongs to Jackie Robinson for the ages."

On April 8, 2008, in the final home opener in Shea Stadium's history, the Mets honored William A. Shea, the man for whom their previous ballpark was named after, by placing the name "Shea" alongside the retired numbers. Thirty members of the Shea family spanning three generations took part in the celebration. Shea was an attorney and the driving force to bring National League baseball back to New York City after the departure of the New York Giants and Brooklyn Dodgers in 1957. He spearheaded New York City Mayor Robert Wagner's four-man baseball task force, which helped form the proposed rival Continental League. Major League Baseball granted New York a National League expansion franchise in 1960 and the Continental League agreed to disband. Shea was inducted into the Mets Hall of Fame in 1983. He died at age 84 on October 2, 1991.

Ralph Kiner, one of the most beloved figures in franchise history, announced games on television and radio for 52 years from 1962-2013. He educated and entertained generations of Mets fans, and his post-game show "Kiner's Korner" was an integral part of Mets lore. He joined the Mets broadcast booth after a 10-year Hall of Fame career with the Pittsburgh Pirates. Kiner was inducted into the Mets Hall of Fame in 1984. The television booth was dedicated in his honor on August 17, 2002.

Bob Murphy was an original Mets broadcaster from the team's inaugural season until his retirement in 2003. He was honored with the National Baseball Hall of Fame's Ford C. Frick Award in 1994. Murphy was elected to the Mets Hall of Fame in 1984. He teamed with Ralph Kiner and Lindsey Nelson on both television and radio before moving to radio exclusively in 1982. Murphy provided his trademark "Happy Recap" after each Mets victory. The Mets home radio booth was named in his honor on August 17, 2002.

1964 ALL-STAR GAME

The National League posted its seventh straight All-Star Game victory with a 7-4 win over the American League on July 7, 1964 at Shea Stadium. The All-Star Game ended in dramatic fashion as Philadelphia's Johnny Callison stroked a three-run, walk-off home run in the bottom of the ninth inning off Boston's Dick Radatz to cap a four-run frame for the NL. San Francisco's Willie Mays started the ninth inning rally with a walk and stolen base. He scored on an infield single by teammate Orlando Cepeda's hit and an error by Yankees first baseman Joe Pepitone. The Cardinals' Curt Flood ran for Cepeda and Cincinnati's Johnny Edwards followed with a walk. Two outs later, Callison sent National League fans home happy. Ron Hunt became the first Met to start an All-Star Game with his appearance at second base. Hunt went 1-3 with a single. The AL jumped out on top, 1-0, in the first inning on an RBI single by Minnesota's Harmon Killebrew off Los Angeles'

Don Drysdale. The Cubs' Billy Williams and St. Louis' Ken Boyer each belted solo home runs in the bottom of the fourth off Kansas City's John Wyatt to give the National League a 2-1 lead. The NL extended its lead to 3-1 in the fifth when Pittsburgh's Roberto Clemente singled and scored from first on a two-out double by the Cardinals' Dick Groat. The American League tied the contest up, 3-3, in the sixth when the Yankees' Mickey Mantle and Killebrew opened the frame with singles. One out later, Baltimore's Brooks Robinson tripled both runs home as Mays just missed what would have been a spectacular diving catch. The AL retook a one-run lead in the seventh inning. The Yankees' Elston Howard was hit by a pitch and Kansas City's Rocky Colavito laced a pinch-hit double to put runners at second and third. The Angels' Jim Fregosi lofted a sacrifice fly to center to score Howard. Boyer finished 2-4 for the NL while Killebrew was 3-4 and Robinson went 2-4 for the AL.

# CAP AND UNIFORM HISTORY

**1962** - Home Uniform: The colors chosen were "Dodgers Blue" and "Giants Orange," and the NY monogram on the cap was a resurrection of the Giants' logo. The jersey was white with blue pinstripes and "Mets" in script across the chest on an upward slant, which was based on the Brooklyn Dodgers uniform. Road Uniform: The words "New York" in all capital letters with orange piping were used. The home pinstripe base was replaced by a solid gray color. The same royal blue cap was used for both home and road uniforms.

**1964/1965** - During the team's first two seasons at Shea Stadium, a patch commemorating the city's hosting of the World's Fair replaced the Mets skyline logo on the sleeve of the home and road jersey. This was a relatively new innovation in baseball uniforms across the country and in New York.

**1965** - Numbers were added to the front of both the home and away uniform jerseys.

**1966** - The Mets skyline logo appeared on the left sleeve for the first time.

**1969** - A patch commemorating the 100th Anniversary of Major League Baseball was worn on the left sleeve of both the home and road jerseys, again replacing the skyline logo.

**1972** - The Mets wore a black armband on the left sleeve of both the home and road uniforms in memory of Mets manager Gil Hodges, who passed away prior to the start of the 1972 campaign. Both the home and road uniforms were changed from flannel uniforms with double-knit lettering to tackle twill.

**1973** - During the second half of their NL Championship season (and through the NLCS and World Series) the Mets wore a vertical patch on the right sleeve of their warmup jackets commemorating the 75th Anniversary of the incorporation of New York City into five boroughs in 1898 (prior to 1898, Brooklyn had been a separate city). The patch featured a stylized "75" logo with a map of the five boroughs place in the loop of the "5."

**1974** - The "zig-zag" pinstripes were featured on the home uniform. "New York" on the front of the road jersey was replaced by "Mets."

**1976** - The Mets once again wore black armbands commemorating the passing of two of the primary figures, at the time, of the club's inception - owner/president Joan Payson and manager Casey Stengel - both of whom passed away following the 1975 season. In addition, a patch commemorating the National League Centennial was on the right sleeve. For select games during the season, the team also wore a special striped hat as part of the celebration surrounding the NL Centennial.

**1978** - The white jersey changed to a pullover with a two-button, crew-neck style collar. Two blue stripes and one orange stripe, equal in width, were added to the cuff of both the left and right sleeve, as well as around the collar. In addition, orange and blue striping was added down the leg of the road pants.

**1979** - The Mets added names to the back of their home uniforms.

**1979/1980** - The years of the mismatched uniforms, with some of the old 1979 uniforms still being worn in 1980, when the design changed slightly. Some had logo patches on the sleeve and some didn't. Some had the uniform numbers high up on the players' backs, some had the numbers way down low. Most had player names on the back, but some didn't (Claudell Washington was with the Mets for a month until they could find a plaque big enough to fit his name).

**1982** - The Mets added an alternate blue road jersey. The royal blue pullover jersey featured thick orange and blue racing stripes with "Mets" across the chest.

**1983** - The pullover white pinstriped jersey with thick striping from the neck all the way down to the socks was unveiled. In addition, the skyline logo was removed from the jersey. The Mets road jersey also changed to the pullover variety with "Mets" in script across the chest of the gray jersey with the thick stripes down the side.

**1986** - The team wore a special 25th Anniversary patch commemorating the franchise's founding year of 1962.

**1987** - The only Mets uniform to last but a single year. The 1987 road uniform marked the first appearance of the words "New York" written in script across the chest.

**1988** - "New York" on the front of the road jersey was changed to block lettering in an arch across the chest. A white outline was added to the outline of all letters and numbers as well as to the racing stripe down the side of the uniform.

**1991** - Buttons return to the uniform. The home jersey still featured the script "Mets" and the road jersey kept the block-lettered "New York".

**1992** - A special "S" patch was added to the sleeve of both the home and road jerseys in tribute to the late William A. Shea, who was instrumental in the birth of the franchise.

**1993** - The skyline logo returned to the left sleeve of both the home and road jerseys while the thick racing stripes were removed from both uniforms. A new script was used for the "Mets" lettering across the chest of the home uniform. The lettering was similar to the script "Mets" used from the team's inception, with an added tail that underlines the entire word. In addition, the "zig-zag" pinstripes that had been featured on the home uniform since 1972 were changed to a straight pinstripe. The road jersey featured a script lettering "New York" that also was underlined. Finally, all hats worn by teams across Major League Baseball featured the MLB logo, centered on the back of the cap.

**1994** - A patch commemorating the 125th Anniversary of Major League Baseball was worn on the right sleeve of both the home and road uniforms. The skyline logo on the left sleeve was also replaced for this season with a special patch commemorating the 25th Anniversary of the Miracle Mets.

**1995** - The skyline logo returned to the sleeve of both the home and road uniforms, while the underlining of the "Mets" and "New York" on both versions of the jersey was removed in favor of the more classic lettering. The button atop the blue Mets cap was changed from royal blue to orange.

**1997** - An alternate home "snow white" uniform was added. The jersey was very similar to the traditional home uniform, without the pinstripes. The team also added an alternate white cap with a blue brim and an interlocking orange NY. Teams across Major League Baseball featured a special 50th Anniversary patch commemorating Jackie Robinson breaking baseball's color barrier.

**1998** - The alternate white cap was scrapped in favor of a new black cap with royal blue trim and an interlocking NY in royal blue. The team added a second alternate jersey, which was worn both at home as well as on the road. The black uniform, with "Mets" across the chest on an upward slant, featured blue letters and numbers with a white and orange drop shadow.

**1999** - A second alternate cap was added. The all-black cap featured an interlocking NY in royal blue with a white and orange drop shadow. In addition, player names were removed from all three jerseys worn at home - white pinstripes, "snow white," and black alternate. An alternate black road jersey was added as well, similar to the alternate black home jersey, but featuring "New York" across the chest. Additionally, a slight change was made in the Mets skyline logo, as the small interlocking NY was removed. This was the first change to the skyline logo since the team's inception in 1962.

**2000** - All teams added the Major League Baseball logo to the back of the home, road and alternate jerseys. The team also opened the season in Tokyo, Japan and featured a special patch commemorating the first games played outside North America. Player names returned to the back of all versions of the home jersey after a one-year hiatus. Finally, the Mets wore a patch with the official logo of the 2000 World Series during that year's Fall Classic.

**2001** - The team wore a special patch in memory of the passing of Mets legend Tommie Agee, who died of a heart attack prior to the season and prospect Brian Cole, who was killed in an automobile accident. The patch featured 20 and 60, the numbers worn by Agee and Cole, and was worn for the Mets home opener on April 9, 2001. Later in the season, in response to the attacks on September 11th, the Mets wore caps honoring the NYPD, FDNY, Port Authority, Emergency Medical Services, and numerous other city services that were affected by the terrorist attacks. An American flag was also added to the back of all jerseys league wide, and American flags were also added to the side of all caps.

**2002** - The Mets honored the franchise's 40th Anniversary with a commemorative patch on the right sleeve of the home jersey, below which was stitched "9-11-01" in remembrance of the September 11th attacks.

**2004** - The team celebrated Shea Stadium's 40th birthday with a patch on the right sleeve of the home jersey. The logo was split between blue and orange and featured the iconic pitcher and batter neons which adorned Shea Stadium's exterior. All jerseys also featured an embroidered "Ya Gotta Believe-Tug" patch, in memory of former Mets reliever Tug McGraw. The team also honored the passing of the voice of the Mets, as "Bob Murphy" was embroidered above the Mets logo on the left sleeve in memory of the Hall of Fame broadcaster.

**2008** - In recognition of the team's final season at Shea Stadium, the Mets wore a patch commemorating their time in the ballpark which opened in 1964. The logo was adorned to the right sleeve and featured a split image of the stadium's original facade from 1964 coupled with a more modern version. The imagery was then surrounded by the wording "Shea Stadium 1964-2008."

**2009** - The Mets opened Citi Field with a patch commemorating their first year in their new world-class home. The logo was placed on the right sleeve of the Mets home jersey and resembled the Citi Field logo, but featured the wording "Inaugural Season 2009."

**2010** - The Mets introduced a new pinstripe jersey that combined elements of both new and old Mets uniforms. The natural color and pinstripes were staples of the Mets uniform when the team debuted in 1962, and were complemented by a more modern day script "Mets" across the chest.

**2012** - To celebrate the club's 50th Anniversary, the team wore white and road gray uniforms reflecting the look of the original uniform from their inaugural season. The black dropshadow was removed from the Mets script logo, letters and numbers. The pinstripe jersey was the primary home uniform. The Mets also introduced a 50th Anniversary logo that incorporated the basic elements of the original blue and orange skyline logo, with gold accents in celebration of the franchise's golden anniversary. The Mets wore a new blue and orange batting practice jersey. The last time the Mets home black jersey was worn was on July 21, 2012.

**2013** - The Mets introduced a blue alternate home and road jersey for the 2013 season. Both versions featured Mets blue with orange piping with the orange lettering on the home jersey and gray lettering on the road one. The 2013 All-Star logo patch was featured on the left sleeve. The club also introduced two new caps. The first was a training cap that was crafted from high-performance materials and featured a royal blue crown and an orange button and visor. The logo was a running Mr. Met. The other cap had a royal blue crown with an orange button and visor. The logo was an orange "NY" with a bold white outline.

**2014** - The Mets wore camouflage jerseys and hats during Monday night home games in 2014-2015 to salute U.S. servicemen and women. The club also wore a patch reading "Ralph Kiner 1922-2014" with a microphone on all jerseys after the legendary broadcaster passed away during the winter. The Mets added a "FC" patch to the uniform on July 4 after former GM Frank Cashen passed away. A Mr. Met patch was also added to the Mets alternate home and road jerseys.

**2015** - The Mets featured an all white pinstripe uniform. The road alternate cap was royal blue with a gray "NY" logo outlined in orange.

**2016** - All uniforms were upgraded to the new Majestic "Flex Base" pattern, however, they looked exactly the same. The Mets wore a throwback 1986 uniform at home on Sundays to honor the 30th Anniversary of the Mets' 1986 World Championship.

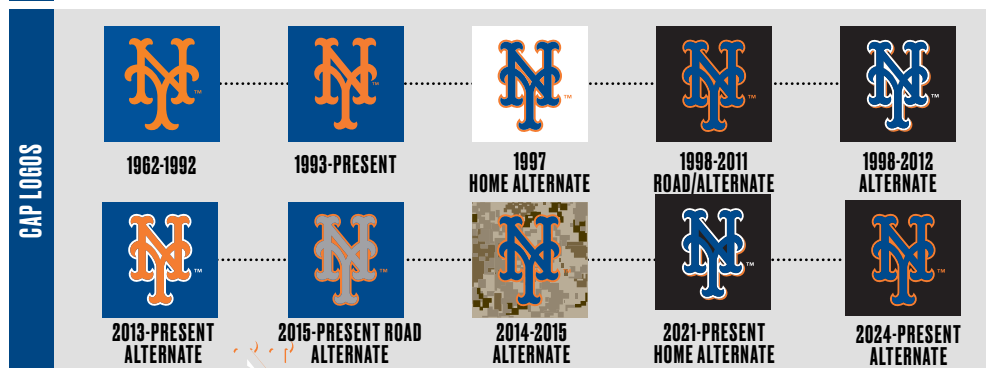

**2017** - All on-field jerseys featured the iconic Mets skyline patch on the left sleeve. Two new caps were introduced, a home alternate Mets blue cap with a two-color orange and white "NY" and orange button. The other cap was a new batting practice cap with an orange visor. Mr. Met was removed from all uniform elements.

**2020** - After the passing of Hall of Famer Tom Seaver, the Mets wore a black circle "41" memorial patch on the right sleeve starting on September 4 for the remainder of the season.

**2021** - The Mets wore a Tom Seaver tribute patch on the right sleeve. The Mets black home jerseys returned on July 30. It marked the first time since July 21, 2012, the team wore black home jerseys. On the 20th Anniversary of 9-11, the Mets wore a white home jersey with "New York" across the front and the same '9-11-01' patch that adored the 2001 jerseys.

**2022** - The alternate black jerseys slightly changed - removing the blue trim around the neck and down the front. Eliminated the alternate blue road jersey.

**2023** - A partnership patch was added to the uniform for the first time in franchise history. NewYork-Presbyterian was featured on the arm sleeve.

# POLO GROUNDS

For the first two years of their existence, the Mets played their home games at the historic Polo Grounds while waiting for the finish of the construction of Shea Stadium.

The stadium where the Mets won 56 games during the 1962 and 1963 seasons actually was the fourth venue to carry the name the “Polo Grounds.” The first structure, located between 110th and 112th Streets and Fifth and Sixth Avenues in upper Manhattan, opened its doors in 1876 as a home to polo matches. In 1880, the New York Metropolitans leased the grounds for baseball with the New York Giants following suit three years later.

The second Polo Grounds, sporting a 15,000-seat wooden grandstand, was located on 155th Street and Eighth Avenue with the Giants as the main tenants. Although polo was not played there, the team brought the name of its former home. It was here that the famous quirky dimensions—475 feet to center field and only 258 feet out to right—were first unveiled. After a fire destroyed the stadium in 1911, it was rebuilt later that year with a capacity of 34,000.

In 1913, the Yankees joined the Giants as tenants, but left after an attendance dispute in 1922. Finally, in 1924, the fourth remodeling of the Polo Grounds was finished, complete with seating for 55,987. It was this incarnation that the Mets began calling home in 1962.

The Giants left New York and the Polo Grounds in 1957, leaving the stadium with only the memories of some of the most famous moments in baseball history, such as Bobby Thomson’s game-winning “Shot Heard ‘Round the World” to clinch the 1951 pennant, and Willie Mays’ over-the-shoulder catch in the 1954 World Series.

The Mets’ first game at the Polo Grounds, April 13, 1962.

Without a Major League Baseball team as a regular tenant, the stadium deteriorated to the point where the Mets needed to spend \$300,000 to refurbish the ballpark before moving in to start the 1962 season.

With a fresh coat of paint, a new scoreboard, better lighting, more dining options for fans and a complete overhaul of the outfield and infield grass, the Mets played their first home game in the Polo Grounds on April 13, 1962 and lost 4-3 to the Pittsburgh Pirates. New York played 160 more games at their temporary home over the next two seasons and left for good following a 5-1 loss to the Philadelphia Phillies on September 18, 1963.

The aging stadium was finally demolished over a period of four months in 1964. A housing development now occupies the famous site.

# SHEA STADIUM

In 1964, the Mets moved from Manhattan to Queens into their brand-new home, William A. Shea Municipal Stadium. Located on 126th Street and Roosevelt Avenue, Shea would welcome more than 94 million fans and some of the most famous moments in Mets history during its 45 years.

The stadium originally was to be called “Flushing Meadows Stadium.” But in 1962, behind a movement led by department store magnate Bernard Gimbel, the Flushing Meadows Stadium label was dropped in favor of a name that honored the man most responsible for returning National League baseball to New York, prominent attorney Bill Shea. Shea Stadium was born.

Architect John Waterbury drew up the plans for the stadium and the ceremonial ground-breaking took place on October 28, 1961. The designs called for the city to contribute \$24.5 million to construct the ballpark, with the Mets to chip in another \$6.5 million for office space, restaurants and other amenities.

The 55,300-seat stadium was completed and Shea opened to 48,736 fans on April 17, 1964. But in a scene reminiscent of Opening Day at the Polo Grounds two years earlier, the Pirates again beat the Mets, 4-3.

In their first season at Shea, the Mets drew 1,732,597 fans and hosted the All-Star Game before baseball handed off the reigns to football and the New York Jets for the winter. Football would be a permanent winter staple in Queens until 1983, when the Jets left for New Jersey.

Shea was designed to be a multi-purpose complex—it was the first major stadium in the United States to have two movable field box sections—and as such held a variety of events. The Beatles gave the first-ever concert at Shea Stadium on August 15, 1965, in front of more than 55,000 fainting, crying and screaming fans.

It was, and remains to this day, the most historic concert ever, as it was the first time in history that a sports stadium was used for a rock concert.

The Mets' first game at Shea Stadium, April 17, 1964.

The groundbreaking Beatles concert at Shea set new attendance records at the time; it was the first large-scale, outdoor concert that demonstrated such events could be hugely successful and profitable.

Other unforgettable Shea moments include the historic papal Mass celebrated by Pope John Paul II in 1979, plus concerts staged by music legends including Billy Joel, The Rolling Stones, Elton John, Eric Clapton, Jimi Hendrix and Bruce Springsteen. The stadium also played host to a wide variety of sporting events, such as soccer, boxing and wrestling matches and college football, along with the normal schedule of baseball and NFL football games.

In 1975, Shea was the center of the New York sports world. The Mets, Yankees, Jets and Giants all called the stadium home, marking the first and only time in professional sports history that two baseball teams and two football teams shared the same facility in the same year. Both the Yankees and Giants needed a temporary home while Yankee Stadium underwent renovations.

Throughout the years, Shea was the site for some of the most memorable moments in Mets history: Cleon Jones catching the clinching out of the 1969 World Series, the amazing comeback in Game 6 of the 1986 World Series, and President Bill Clinton joining Jackie Robinson's widow, Rachel, to retire the Hall of Famers' uniform number 42 on April 15, 1997. Shea finally closed its doors on September 28, 2008 following the Mets' 4-2 loss to the Florida Marlins.

The demolition of Shea took several months, with the final piece coming down on February 18, 2009 at 11:22 a.m. Citi Field's Parking Lot D covers the grounds where Shea once stood, with markers commemorating the original locations of the stadium's home plate, bases and pitching mound.

Pope John Paul II addresses the crowd at Shea in 1979.

## JACKIE ROBINSON ROTUNDA

The iconic main entry to Citi Field honors Jackie Robinson, the great American trailblazer who became the first African-American player to break Major League Baseball's color barrier with the Dodgers in 1947. Evoking the classic design of Ebbets Field, the Rotunda recognizes and perpetuates the humanitarian ideals of one of our country's civil rights pioneers. Engraved into the Rotunda's 160-foot diameter floor and etched into its 70-foot archways are words and larger-than-life images that defined Jackie's "nine values": Courage, Excellence, Persistence, Justice, Teamwork, Commitment, Citizenship, Determination, and Integrity. The Rotunda features an eight-foot sculpture of Jackie's number 42, which was retired in perpetuity throughout Major League Baseball in 1997.

## ARCHITECTURAL DESIGN

Inspired by Mets' National League Heritage. The brick, limestone, granite and cast stone throughout the ballpark closely resembles the masonry used at Ebbets Field, the legendary home of the Brooklyn Dodgers. The dark green seats and soot-colored exposed steel recall the Mets' first home, the historic Polo Grounds and former home of the New York Giants. Shea Bridge in right-center is named after William A. Shea, extending the legacy of the man who was the driving force behind bringing National League baseball back to New York and for whom Shea Stadium was named.

## CITI FIELD & THE ENVIRONMENT

The Mets have implemented a wide range of sustainable environmental initiatives in the design, construction and operation of Citi Field. The ballpark was built with recycled concrete and construction vehicles were fueled with ultra-low sulfur diesel. Citi Field's building management system monitors and automatically controls all aspects of energy operation from temperatures to lights to minimize energy consumption. Grease and cooking oil are recycled along with

cardboard, glass, metal, bottles, cans, light bulbs and batteries. The Mets save more than four million gallons of water per year by using 414 hands-free faucets, 635 automated toilet flush-valves and 270 waterless urinals. A 11,000 square foot green roof atop the administration building in rightfield, white PVC roofs throughout the ballpark, high mast parking lot light fixtures, permeable pavers, and an underground well used to irrigate the playing field are other ways the Mets are working to protect the environment.

## CITI FIELD TOURS

Citi Field features unprecedented amenities and comfort for Mets fans, sports fans and visitors to the New York metropolitan area. The open-air ballpark connects the Mets' National League heritage to the future and to the city through a number of unique design elements. The behind the scenes tour allows guests to experience the most restricted, non-public areas of the ballpark while learning about the history of Citi Field and the New York Mets.

Ballpark tours are approximately one hour in length and can be customized to accommodate groups of any size and age. All tour stops and locations are subject to the type of tour purchased and availability depending on the activities occurring within the ballpark and/or due to weather.

## JOHAN SANTANA'S NO-HITTER - JUNE 1, 2012

The gray skies above Citi Field looked ominous as rain drew closer. The scoreboard clock ticked to 9:48 pm. Johan Santana stood atop the mound and peered in toward catcher Josh Thole. His left arm had already delivered more pitches than it ever had in a major league game. Ghosts of Seaver, Koosman, Gentry, Ryan, Gooden, Fernandez, Darling, Cone, Leiter, Glavine, Trachsel and Martinez rested on Santana's shoulders.

He delivered his signature pitch – a change-up – to Cardinals World Series MVP David Freese, who swung and missed. Thole sprinted to the mound and embraced the hero, third baseman David Wright pumped his fist, teammates raced in from the dugout and bullpen. The scoreboard flashed NO-HAN!

It finally happened.

After 8,019 games without a no-hitter, the Mets lefthander had engineered the club's first in a gutsy, epic performance on Friday, June 1, 2012.

"I knew that the Mets have never had a no-hitter. I never had one," said Santana after the game. "To be able to accomplish this, it's an honor. I know how much it means to New York and to the Mets. I know Mets fans were waiting for it and it is theirs, too. I'm very proud and very happy to be a part of it."

The buzz at Citi Field grew louder as Santana danced through the first five innings without allowing a hit. With one out in the seventh inning, Yadier Molina strolled to the plate. Molina roped a line drive to left.

"Off the bat, I thought sure it was a double," said David Wright.

Queens native Mike Baxter, who grew up a Mets fan, who grew up going to Shea Stadium, who knew all too well the history on the line, raced back towards the wall and stuck out his glove. He crashed violently into the wall but held on to the baseball.

"When Baxter made that catch, I didn't know if the ball was in his glove," Santana said. "It was amazing. He saved us."

"It's an honor to make a play for Johan, but ultimately it's his night," Baxter said. "He was incredible tonight. Start to finish, he really had it all working."

The catch would come at a cost as Baxter crumbled to the ground and remained motionless. He ended up on the Disabled List with a displaced right collarbone and fractured rib cartilage next to the sternum.

The crowd rose to greet Santana as he popped out of the dugout for the ninth. One pitch, one out – Matt Holliday led off hitting a fly ball to center that Andres Torres raced in and easily caught. Allen Craig, the clean-up hitter for St. Louis' vaunted offense, lifted a fly ball to left. Kirk Nieuwenhuis, Baxter's replacement, caught the ball on the fly. Two outs.

By now fans at Citi Field were in a full-out frenzy, as the park which opened in 2009 was seeking its signature moment. Up stepped Freese. Santana threw three straight balls before pumping in a fastball for a called strike. Freese fouled off the next pitch. Santana tugged once on the brim of his cap, rocked and delivered a pitch that would put him into the record books. Freese swings. It was the 253rd no-hitter in major league history, including the postseason, and the first for a franchise that was born in 1962 – a half century and three ballparks later.

# COMBINED NO-HITTER - APRIL 29, 2022

Five Mets pitchers - Tylor Megill, Drew Smith, Seth Lugo, Joely Rodríguez and Edwin Díaz - combined on a no-hitter on April 29, 2022 at Citi Field. It was the second no-hitter in franchise history, the 17th combined no-hitter in MLB history and occurred nearly 10 years after Johan Santana's. However, only the final Mets pitcher of the evening realized what was happening when he was on the mound.

It was an unseasonably warm Friday April evening in Queens with the Amazin's decked out in their black jerseys for the first time in '22. Megill started out with a 1-2-3 first inning.

In the third inning, center fielder Brandon Nimmo made a diving catch to rob Jean Segura on a base hit.

Megill knew when he left the mound that he had thrown five no-hit innings, but didn't realize until much later in the game that in fact the no-no was still intact.

"It was the first no-hitter I've been a part of so I'm glad it was with this group of guys," Megill said afterwards. "I'm ecstatic, It's crazy."

Smith, Lugo and Rodríguez were in the training room following their outings when they saw the television show the line score.

"Drew, don't say nothing, but look," Lugo told Smith. "We need to get outside."

As the trio scamped to the dugout, the bullpen door swung open and Díaz rhythmically jogged in as 'Narco' his popular entrance song blaring trumpets engrossed the ballpark. He struck out Bryce Harper swinging to open the ninth. Nick Castellanos wailed at a 1-2 pitch for the second out. The Citi Field crowd was electric - three straight strikes later, J.T. Realmuto struck out and James McCann jumped into Díaz's arms. It was the 159th pitch of the night by New York pitchers.

Citi Field's scoreboard flashed 'BLACK OUT' with all five pitchers in a nod to their Friday night attire.

In the post-game press conference, each pitcher sheepishly revealed that it wasn't until very late in the game that they were aware of what was transpiring.

Díaz was stunned: "So nobody knew but me?" he questioned.

Jeff McNeil laced a two-run double in the fifth and Pete Alonso mashed a solo homer in the sixth to provide all the offense in the 3-0 win.

"You never know, right?" Buck Showalter smiled. "You never know what the game has in store for you."

## DOUBLEHEADER NOTES

The Mets and Yankees have played eight doubleheaders in total and have previously met in a day-night, home-road doubleheader three times. The first historic doubleheader took place on July 8, 2000. Both New York teams played a regularly scheduled day game at Shea Stadium and then played a night game at Yankee Stadium which was a rescheduled contest from a rainout on June 11. The Yankees won both games by the same 4-2 score. According to *Elias*, it was the first day-night doubleheader taking place in different venues since September 7, 1903. On that day, the New York Giants played two games against the Brooklyn Superbas (later known as the Dodgers). The first game was played in the morning at Brooklyn's Washington Park with John McGraw's Giants winning, 6-4. Brooklyn won the second game at the Polo Grounds, 3-0. The other day-night, Shea-Yankee Stadium doubleheaders were on June 28, 2003 and June 27, 2008. In 2003, the day game took place at Yankee Stadium with the Yankees winning, 7-1. The night cap was at Shea and the Yankees prevailed, 9-8. In 2008, the final year of both Shea Stadium and Yankee Stadium, the Mets and Yankees played a day-night, cross-borough doubleheader. The Mets won the day game at Yankee Stadium, 15-6, and the Yankees took the night cap, 9-0, at Shea. The Mets played a doubleheader at Yankee Stadium on July 4, 2021. The Mets won the first game, 10-5, and lost the second game, 4-2. The Mets and Yankees played two doubleheaders in 2020 (August 28 and August 30) both at Yankee Stadium. Due to game postponements, the Mets were the home team in the second game of each doubleheader. On August 28, in the second game, Amed Rosario hit a pinch-hit, two-run walk-off homer to win the game, 4-3. The last walk-off win in an opponent's ballpark was by the Phillies on May 21, 1906 against the Cardinals at Robison Field, with the Phillies winning 1-0. The last walk-off home run by a visiting player was Ed McKean for St. Louis at the Cleveland Spiders on May 12, 1899 (*Elias Sports*). There have been five doubleheaders with both games at Yankee Stadium. The three other doubleheaders were split stadium doubleheaders.

The Mets line up for the national anthem prior to their first World Series home game in franchise history.

1969 WORLD SERIES

BALTIMORE ORIOLES vs. NEW YORK METS  
METS WON SERIES, 4-1

The New York Mets entered the 1969 World Series as heavy underdogs against Baltimore. After falling in Game 1, the Amazins’ rattled off four straight wins to earn their first championship, just eight years after the franchise was born.

In Game 1, Baltimore’s leadoff batter Don Buford smacked a home run off Tom Seaver. Mike Cuellar and the Orioles went on to a 4-1 triumph.

In Game 2, Jerry Koosman tossed 6.0 no-hit innings before Paul Blair singled to lead off the seventh. With the game tied, 1-1, in the ninth, Ed Charles, Jerry Grote and Al Weis strung together consecutive two-out singles to give New York a 2-1 lead. Koosman retired the first two batters in the ninth, before walking the next two. Ron Taylor got the final out, retiring Brooks Robinson to even the series at one game apiece.

A raucous Shea crowd of 56,335 watched the Mets shut out Baltimore, 5-0, in Game 3. Tommie Agee hit a leadoff home run off Jim Palmer, the only leadoff home run the Hall of Famer would ever allow, to put the Mets on the board early. In the fourth, the Orioles threatened, with runners at the corners and two outs, when Agee made a running, backhanded catch at the warning track in left-center to rob Elrod Hendricks. In the seventh, Baltimore loaded the bases with two outs and Blair laced a high drive to right-center. Agee, running full tilt, caught the ball sprawling on the warning track. Agee had made two of the greatest World Series catches ever, just three innings apart.

In Game 4, Seaver out-dueled Cuellar in a thrilling 10-inning, 2-1 victory. Donn Clendenon belted a solo home run in the second to give the Mets a 1-0 lead, which would hold up until the ninth. The Orioles put runners at first and third with one out, Brooks Robinson laced a sinking line drive to right-center. Ron Swoboda made a full length, diving catch. The tying run scored, but the brilliant catch prevented further damage. In the bottom of the 10th, with runners at first and second and nobody out, J.C. Martin pinch-hit for Seaver. Martin dropped a bunt down and Orioles’ pitcher Pete Richert fielded the ball, but his throw hit Martin and the ball caromed into right field allowing Rod Gaspar to score from second. The Mets were one win away from their first title, while Baltimore argued that Martin was outside the basepath.

The unthinkable occurred on October 16, 1969 at Shea. Behind a 5-3 victory, New York’s lovable losers were champions. The Orioles led 3-0 early, but home runs by Clendenon and Weis tied the game. In the eighth, Swoboda gave the Mets the lead with an RBI double. Koosman induced future Mets Manager Davey Johnson to fly out to Cleon Jones in leftfield for the final out. Clendenon (Sport Magazine) and Weis (BBWAA) were the Series MVPs.

## CINCINNATI REDS vs. NEW YORK METS

### METS WON SERIES, 3-2

Bud Harrelson and Pete Rose start a bench-clearing brawl in Game 3 of the 1973 NLCS.

New York captured its second pennant in five years with a thrilling five-game series win over Cincinnati.

In Game 1, Pete Rose and Johnny Bench each belted home runs to upend Tom Seaver and the Mets, 2-1. Seaver allowed six hits and fanned a NLCS record 13 batters in the losing effort.

Jon Matlack was brilliant in Game 2, tossing a two-hitter to win, 5-0. Rusty Staub's home run in the fourth was the only run of the game until New York plated four in the ninth, two scoring on Jerry Grote's single.

The Mets scored nine runs in the first four innings en route to a 9-2 victory at Shea in Game 3. Staub cracked a solo home run in the first and a three-run shot in the second. The game featured an infamous fight between Pete Rose and Buddy Harrelson after Rose slid hard into second base attempting to break up a double play. After the bench-clearing brawl, Jerry Koosman continued to dominate the Reds.

Rose got his revenge with a 12th inning home run in Game 4 to give the Reds a 2-1 victory and send the series to a fifth and deciding game.

Ed Kranepool gave New York a 2-0 lead in the first with a two-run single in Game 5 in front of 50,323 fans at Shea. After Cincinnati tied the game 2-2 in the top of the fifth, the Mets exploded for four runs in the bottom of that frame. Cleon Jones, Willie Mays, Don Hahn and Harrelson each collected an RBI. Seaver and Tug McGraw held the Reds at bay as New York advanced to face Oakland in the World Series.

Rusty Staub hit three of his four postseason home runs in the NLCS to help the Mets advance to the World Series.

## OAKLAND A's vs. NEW YORK METS METS LOST SERIES, 4-3

New York lost a postseason series for the first time, falling in a seven-game set to the Oakland Athletics.

In Game 1, the A's nipped the Mets, 2-1, despite managing just four hits off Jon Matlack and Tug McGraw. Second baseman Felix Millan's error in the third inning proved costly as Oakland's only two runs of the game would score in that inning.

New York evened the series with a 10-7, 12-inning victory in Game 2. Oakland scored two runs in the ninth to tie the game, 6-6, to force extra innings. Willie Mays singled home Bud Harrelson with the go-ahead run in the 12th, which would prove to be Mays' last hit in the majors.

The World Series returned to Shea and Wayne Garrett cracked a solo home run as the Mets jumped on top, 2-0, in the first inning of Game 3. Once again, Oakland rallied to tie the game in the eighth and scored in the 11th for a 3-2 victory.

The Mets tied the series at two games apiece with a 6-1 triumph in Game 4. Rusty Staub drove in five runs, with a three-run home run in the first and a two-run single in the fourth. Matlack allowed three hits in 8.0 innings to pick up the win.

Tug McGraw reacts after saving the Mets 2-0 Game 5 win.

Four Oakland runs in the third inning on home runs by Bert Campaneris and Jackson in Game 7 broke the game open. Garrett, the tying run in the ninth, popped out to end the series and New York's dream.

## HOUSTON ASTROS vs. NEW YORK METS METS WON SERIES, 4-2

New York improved to 3-0 in the NLCS with a dramatic six-game victory, avoiding Houston ace Mike Scott in Game 7.

The Mets returned to the postseason after a 13-year absence and lost Game 1, 1-0. Scott hurled a complete-game, five-hit shutout with 14 strikeouts. Glenn Davis swatted a home run in the second inning for the lone run of the game.

Bobby Ojeda matched Scott in Game 2, with a complete-game, 5-1 victory to tie the series. Gary Carter had an RBI double in the fourth and Keith Hernandez added a two-run triple in the fifth.

In Game 3, back at Shea, the Mets fell behind 4-0, but Darryl Strawberry's three-run home run in the sixth helped tie the game. Trailing 5-4, with one on and one out, Lenny Dykstra cracked a two-run home run into the Mets bullpen to give New York a 6-5 victory.

Scott again was brilliant in Game 4, tossing a complete-game three-hitter as the Astros won 3-1.

Nolan Ryan and Dwight Gooden locked horns in a tremendous pitching duel in Game 5. Ryan allowed two hits (Strawberry home run) with 12 strikeouts in 9.0 innings, while Doc scattered nine hits in 10.0 innings. Carter's RBI single in the 12th gave New York the win and left them one win away from their third trip to the World Series.

Lenny Dykstra rounds the bases after hitting the game-winning home run in Game 3 of the NLCS to give the Mets a 6-5 victory.

Game 6 at the Astrodome was simply a classic, the longest postseason game in time (4:42) and innings (16) at that point. Houston led 3-0 until the Mets tied it in the ninth on RBI from Mookie Wilson, Hernandez and Ray Knight. With the Mets leading, 4-3, in the bottom of the 14th, Billy Hatcher hit a home run off the left field screen off Jesse Orosco. In the 16th, New York scored three times, as Strawberry's double and Knight's single put the Mets ahead. Houston rallied for two runs, but Orosco struck out Kevin Bass with the winning run on base to become the first pitcher to earn three wins in one LCS.

# 1986 WORLD SERIES

## BOSTON RED SOX vs. NEW YORK METS METS WON SERIES, 4-3

For only the second time in World Series history, a team lost the first two games at home, but emerged as the World Champion, as New York won its second title in amazing fashion against the Boston Red Sox.

In Game 1, Bruce Hurst and Calvin Schiraldi combined to shut out the Mets, 1-0. Jim Rice scored the lone run on an error by second baseman Tim Teufel.

Boston scored nine times on 18 hits in a 9-3 win in Game 2.

In Boston, Lenny Dykstra led off Game 3 with a solo home run to ignite a four-run first inning. Bobby Ojeda stymied the Sox through 7.0 innings as New York won, 7-1.

In Game 4, Gary Carter cracked two home runs and Ron Darling's 7.0-shutout innings helped the Mets even the series with a 6-2 triumph.

In the pivotal fifth game, Hurst tossed a complete game for the Red Sox as Boston won, 4-2.

The Mets returned to Shea for Game 6 in a contest that would become part of World Series lore. New York, facing elimination, trailed 2-0 in the bottom of the fifth, 3-2 entering the bottom of the eighth and 5-3 going to the bottom of the 10th. Ray Knight's RBI single helped tie the contest in the fifth and Carter's sacrifice fly tied the game in the eighth. After Dave Henderson's home run had put the Sox ahead in the 10th, both Backman and Hernandez were retired. But Carter, Kevin Mitchell and Knight followed with singles to cut the deficit to 5-4.

Boston reliever Bob Stanley was summoned and on a 2-2 count, Mookie Wilson fouled back two pitches before dodging a wild pitch that allowed Mitchell to score to tie the game. Wilson then hit a dribbler up the first base line that bounced under Bill Buckner's legs, enabling Knight to score the winning run.

After a day of rain, the Mets won their second World Championship with an 8-5 triumph. Boston built a 3-0 lead, but New York scored three runs in the sixth, two runs coming home on a single by Hernandez. Knight's seventh-inning home run gave the Mets the lead for good. Santana and Hernandez would drive in runs later in the inning and Darryl Strawberry cracked a solo home run in the eighth. Orosco struck out Marty Barrett for the final out as Shea erupted in euphoria. Knight was named the Series MVP.

# 1988 LEAGUE CHAMPIONSHIP SERIES

## LOS ANGELES DODGERS vs. NEW YORK METS METS LOST SERIES, 4-3

Despite beating the Dodgers in 10 of 11 matchups during the regular season, Los Angeles knocked off New York in seven games. It was the first time in four NLCS appearances that the Mets failed to reach the World Series.

New York rallied for three runs in the ninth inning to take Game 1, 3-2. Darryl Strawberry had an RBI double in the inning and a two-out, two-run double by Gary Carter proved to be the difference.

The Dodgers scored five runs off David Cone in the first two innings of Game 2 and went on to win, 6-3.

In a steady, cold rain, the Mets won Game 3, 8-4. Down 4-3, the Mets scored five times in the bottom of the eighth. A two-out RBI double by Wally Backman tied the game and Mookie Wilson's RBI single gave New York the lead for good.

The turning point of the series occurred in the ninth inning of Game 4 when Mike Scioscia's two-run home run off Dwight Gooden tied the game, 4-4. Kirk Gibson cracked a home run off Roger McDowell to win the game in the 12th as Los Angeles tied the series. Orel Hershiser

entered with two outs in the bottom of the 12th and got Kevin McReynolds to pop out with the bases loaded to end the game.

Gibson remained hot and belted a three-run home run in the fifth inning to lift the Dodgers to a 7-4 victory in Game 5.

On the brink of elimination, McReynolds went 4-4 with three RBI and Cone hurled a complete game in a 5-1 Game 6 win to force a seventh and deciding game.

Hershiser tossed a complete-game, five-hit, 6-0 shutout to beat the Mets in Game 7. Los Angeles scored five times in the second inning to break open the contest.

Darryl Strawberry led the National League with 39 home runs and drove in 101 runs in 1988.

# 1999 DIVISION SERIES

## ARIZONA DIAMONDBACKS vs. NEW YORK METS METS WON SERIES, 3-1

The Mets returned to the postseason for the first time since 1988 and defeated Arizona in the NLDS in four games.

John Olerud and Edgardo Alfonzo each touched up Randy Johnson for home runs as the Mets built a 4-1 lead in Game 1. The Diamondbacks tied the contest in the sixth, but Alfonzo walloped his second home run of the night, a grand slam in the ninth, to lift New York to an 8-4 win.

Arizona captured Game 2, 7-1, behind Steve Finley's five RBI to even the series.

Back in New York and with Mike Piazza on the bench for Game 3 with a bad thumb, the Mets scored six times in the sixth to beat the D-Backs, 9-2. Olerud recorded three RBI, while Darryl Hamilton collected two RBI.

In the fourth game, in front of 56,177 fans at Shea, the Mets trailed, 3-2, but Roger Cedeño tied the game in the eighth with a sacrifice fly. In the 10th, back-up catcher Todd Pratt ended the series and sent the Mets to the NLCS with a solo walk-off home run off Matt Mantei that landed just out of the reach of Finley. Longtime Met John Franco earned his first postseason victory.

Todd Pratt hit a 10th inning, walk-off, series-ending home run in Game 4 vs. Arizona in the 1999 National League Division Series in a 4-3 win.

1999 LEAGUE CHAMPIONSHIP SERIES

ATLANTA BRAVES vs. NEW YORK METS  
METS LOST SERIES, 4-2

Atlanta outlasted New York in a dramatic six-game series.

Gerald Williams had an RBI single to break a 1-1 tie in the bottom of the fifth inning as the Braves went on to a 4-2 victory in Game 1.

The Mets returned to Shea in an 0-2 hole after losing, 4-3, in Game 2. Brian Jordan and Eddie Perez each hit a two-run home run off Kenny Rogers in the sixth inning to erase a 2-0 Mets lead.

In Game 3, two Mets errors in the first inning allowed Atlanta to score the only run of the game in a 1-0 loss.

Trailing 2-1 in the eighth, four outs from having their season end, New York responded in Game 4. John Olerud, who had hit a solo home run in the sixth, singled to center field which plated two runs to give the Mets a 3-2 victory.

Game 5 was a classic. A 15-inning, five-hour and 46-minute marathon was played in driving rain. The Mets led 2-0 in the first inning on a two-run home run by Olerud, but the Braves tied the game in the fourth. Seven New York relievers combined to hold Atlanta scoreless entering the 15th. The Braves took a 3-2 lead in the 15th when Keith Lockhart's triple off Octavio Dotel scored Walt Weiss. Shawon Dunston singled to center after a 12-pitch at-bat to lead off the 15th for the Mets. Matt Franco walked and Alfonzo sacrificed the runners over. Olerud was walked intentionally to load the bases. Todd Pratt walked to force home Dunston with the tying run. Robin Ventura then cracked a "grand slam single" as the Shea crowd exploded. As Robin rounded first base, his teammates mobbed him, never allowing him to finish his trot around the bases, and thus officially settling for a single.

Trailing 5-0 after the first inning, the Mets battled back in Game 6. Darryl Hamilton would add a two-run single in the sixth and Mike Piazza crushed a two-run home run in the seventh inning to tie the game, 7-7. New York led 8-7 in the eighth and 9-8 in the 10th, but could not hold on. Rogers walked Andruw Jones with the bases loaded in the 11th to end the series.

## SAN FRANCISCO GIANTS vs. NEW YORK METS METS WON SERIES, 3-1

For the first time in franchise history, the Mets qualified for the postseason in consecutive years. New York met the team that abandoned the city in 1958, the San Francisco Giants.

In Game 1, the Giants scored four times in the third inning to break a 1-1 tie and won, 5-1.

Timo Perez, subbing for an injured Derek Bell, collected three hits and two RBI in Game 2. The Mets took a three-run lead into the ninth, but J.T. Snow hit a three-run home run to tie the contest. Jay Payton's RBI single in the 10th gave New York a 5-4 lead and John Franco struck out Barry Bonds to end the game.

Bobby Jones pitches a one-hitter in Game 4 of the Division Series to send the Mets to the NLCS.

Back at Shea for Game 3, the Mets trailed 2-1 until Edgardo Alfonzo's two-out, RBI double in the eighth. Benny Agbayani crushed a solo walk-off home run in the 13th to lift New York to a 3-2 triumph.

Bobby J. Jones hurled baseball's first postseason complete-game, one-hit shutout in 33 years as the Mets advanced to the NLCS with a 4-0 win in Game 4. Jeff Kent collected the Giants' only hit, a double in the fifth inning. Robin Ventura got the Mets on the board with a two-run home run in the first.

Robin Ventura celebrates with Jay Payton and Timo Perez during the 2000 run to the World Series.

ST. LOUIS CARDINALS vs. NEW YORK METS  
METS WON SERIES, 4-1

New York defeated its longtime nemesis, the St. Louis Cardinals, in five games to advance to its first World Series since 1986.

In Game 1, Mike Piazza had an RBI double as the Mets jumped on top 2-0 in the first inning. Jay Payton and Todd Zeile cracked home runs in the top of the ninth to give New York some breathing room in a 6-2 victory.

In Game 2, the Mets never trailed, but let leads of 2-0, 3-1, and 5-3 vanish before Payton's ninth-inning RBI single gave New York a 6-5 win.

The Cardinals ruined the Mets return to Shea scoring five runs in the first four innings en route to an 8-2 win in Game 3.

New York set a postseason record with five doubles in one inning (first) and scored seven runs in the first two innings in a 10-6 victory. Robin Ventura had three RBI, while Piazza, Todd Zeile and Benny Agbayani each chipped in with two RBI.

Mike Hampton closed out the NLCS and picked up his second win of the series with a complete-game, three-hit, 7-0 shutout in Game 5. Edgardo Alfonzo singled home Timo Perez in the first inning to set a new club record with 16 career postseason RBI. Ventura would add an RBI single later in the inning. Zeile's bases-loaded, bases-clearing double in the fourth put the game away. Rick Wilkins flew out to Perez in center field for the final out.

Hampton was named the NLCS MVP for his efforts. He finished with 16.0 scoreless innings, surrendering nine hits with 12 strikeouts. Zeile finished the NLCS hitting .368 (7-19) with eight RBI and Perez tied an NLCS record by scoring eight runs.

# CLOVER PARK

**31 Piazza Drive • Port St. Lucie, FL 34986**  
**(772) 871-2100 • Tickets (772) 871-2115 • Est. 1988 • Capacity 7,000**

The Mets spring training facility in Port St. Lucie was renamed Clover Park in January of 2020. The ballpark has been the team's Florida home since moving from St. Petersburg, FL in 1988.

Clover Park underwent a \$55 million renovation two years ago in an effort to modernize the facility for fans, players and staff. Upgrades for fans include a grand entrance, new seats, expanded concourses, new concession stands, larger merchandise shops, an additional elevator, a partial boardwalk wrapped around left field and the creation of the Jim Beam Bar.

New player amenities include better practice fields, batting cages, clubhouses, a bigger weight room and more training rooms. New executive offices and workspaces were also created. Capacity for Clover Park remains 7,000.

To commemorate the renovation, the stadium's entrance road off of Peacock Blvd. and University Blvd. has been renamed Piazza Drive in honor of Hall of Famer Mike Piazza and the address of the ballpark is now 31 Piazza Dr.

Prior to 2020, the stadium received several upgrades throughout the years of the Mets' stay in Port St. Lucie. Following spring training in 2003, \$10 million was spent to modify the stadium and create a grass berm beyond right field. In 2012 the right field bleachers were replaced by field level seats that were connected to the rest of the stadium and a new video board was installed.

Clover Park also serves as the summer home of the St. Lucie Mets, New York's minor league affiliate.
